Promoting buyer awareness for active honey.

October 15, 2018

PK & EX VENTURES PTY LTD,

Thank you for registering your company with the Active Honey Factor Project. We have reviewed the documentation you have provided for Super Honey Co Batch 2018-1 with matching documentation for Novost Laboratories lab test 18023B.

We hereby grant the AHF 30+ Mark to your batch of 4000, 250g jars for sale globally. Your certificate number is AHF2018-004SHC.

The AHF+ mark provides a unified comparison for all active honey types and is a 1:1 translation of Total Activity (also known as TA) which is derived based on standard phenol assay testing frameworks.

If you have any questions regarding the use of this mark please contact us via our website.

Sincerely,

The Active Honey Factor Project
